## Luxury brand of the year and Optimist of the Year

For the 13th time, a well-known director, actor, screenwriter and producer filmmaker Mariusz Pujso organized a ceremony under "Luxury Brand of the Year" slogan. That evening, in Renaissance Hotel in Warsaw, the word "luxury" was there the key to everything.. The Gala was also an opportunity to awarding exceptional "Optimist of the Year" awards. This title was awarded to, among others, the queen of drifting Karolina Pilarczyk. As she herself admitted, she is happy with this award mainly because this season was very difficult to her, and only her optimism and energy coming from the fans, allowed her to survive with a smile on her face.

## Motorsport and business – SEMA Show in Las Vegas

November began with a trip to the USA, where in Las Vegas Karolina Pilarczyk attended the largest automotive B2B fairs in the USA - SEMA Show. This event was an opportunity to take a look at the new products and trends straight from America, as well as meetings of many valuable drivers and influencers from the motorsport sphere. Karolina, remembering her fans in Poland, she recorded several fascinating episodes for your YT channel.

## On the silver screen

Karolina jako atrakcyjna i pełna energii kobieta o wielu pasjach jest znakomitym gościem w programach na żywo.

Karolina as an attractive and energetic woman of many passions is an excellent guest in live shows. All TV stations know about it, and after end of the drifting season, they regularly invite our drifter. And so in November Karolna hosted the program Good Morning TVN, TVN 24, TVP Woman and Polsat. In each of them in a different one character and other topic. Very unique and different, was the Good Morning TVN program where Karolina with her partner Mariusz Dziurleja talked about their unusual tattoos :) !

## Building relationships with customers – continuation..

Between events and visits to TV studios, Karolina and Mariusz they continued their visits to authorized workshops that cooperate with the brand Pertonas. These trips are a great opportunity to strengthen business relationships and build and exchange new experiences ;)
